

**Salaried Employees Association  
Membership Survey  
For 2009 Contract Negotiations**

Dear Members:

Now is the time to begin collecting information on your priorities to assist our Negotiating Committee in establishing our objectives for the 2009 Contract Negotiations with Northrop Grumman.

We have listed 12 items for you to list in order of importance; #1 being the most important to you, and #12 being the least important. Additional space has been provided to allow for any comments or opinions you may have.

Please sign and return your survey to your union officers, or complete the form on our website at [union1sea.com](http://union1sea.com).
